

# Springer Theses Recognizing Outstanding Ph.D. Research

## Project Concept „Best of the Best“

Top ranked institutes from around the world invited to nominate their best Ph.D. Theses for a Springer Thesis Prize\*

\* €500 award plus publication of the entire thesis in the series

## Criteria for Nomination

To qualify for nomination, the thesis must fulfil *all* of the following criteria:

- The work reported in the thesis must represent a significant scientific contribution in good English.
- Each thesis should include a foreword by the supervisor outlining the significance of its content.
- The thesis should have a clearly defined structure with an introduction accessible to scientists not expert in the field.
- If the
